## MLK ROAD PROJECT

### MLK Roadway reopened from Orange Avenue to ISB

The stretch of roadway on Dr. Martin Luther King Jr. Boulevard from Orange Avenue to International Speedway Boulevard (ISB) has had its final paving and the entire street has been reopened. The new decorative sidewalks and streetlight poles have also been installed. All of the underground utilities have been upgraded in this area, which had some of the oldest infrastructure in the city.

In the coming weeks, crews will complete the decorative sidewalks and the roadway will have its final striping. The wooden power poles will be removed, and the crews will finish the decorative sidewalk in this area as well.
